Product description

Leather wallet case hand-made P-2

The best minimalist wallet for you.

Made of genuine leather. Made and cut entirely by hand.

In the era of payment cards, where cash is becoming a thing of the past, it is the perfect choice.

Compact and slim, it can hold cards, business cards, cash and anything else you need.

You can hide it conveniently in your pants pocket.

It is very practical and convenient to use, because you can quickly pull out the card without unfastening the wallet.

Material:

- full grain cowhide leather
- thickness approx. 1.5-1.6 mm
- thickness of the fastened wallet (in the place with the flap) about 7-9 mm

Dimensions:

- height 7.5 mm
- width 10.5 cm
